Summary

With a Bachelor's degree in Physics and a proven track record in retail and career advisory roles, I bring a unique blend of analytical and interpersonal skills. My experience as a Retail Cashier honed my abilities in customer service and ensuring efficient transaction management. As a Career Advisor at Aasma Careers, I developed a strong understanding of career guidance and counselling, assisting individuals in navigating their professional paths. I am committed to leveraging my skills in a dynamic work environment, contributing effectively to organisational goals.
